- 1st North Los Angeles Tournament
June 2004
3rd Place (Girls 10-11)

Boom-Boom doesn't dance, but she'll play a mean rumba on your body with fists and feet. Her fists a-flying, with a happy smile that suggests cotton candy and Ferris Wheels, she punctuates each combination with a kick to the leg that goes BOOM, and then to the ribs: BOOM. Don't get too caught up in that smile; it's the kick that you'll be feeling for weeks to come.
